

Serial No.: 10/669,320

REMARKS

The indication that claim 65 (and others) contains allowable subject matter is noted with appreciation. Changes have been made in a sincere attempt to place the case in immediate condition for allowance.

Claim 52 now represents a combination of claims 51, 52, and 65; the latter two claims have been canceled, meaning that the claims before the Examiner are claims 52 to 64.

The rejection of claims 51 and 52 under 35 USC 102 as anticipated by Noguchi '875 is moot in view of the change to claim 52 indicated above.

Claims 62 to 64 were not addressed in the Office Action. It is respectfully submitted that those claims are allowable, as they depend from allowable claims also.

The Examiner is requested to telephone the undersigned if additional changes are required in the case prior to allowance.
